"Ovid Grey cannot be trusted."

"He has no loyalty, my queen."

"LOYALTY, Hatter?"

"Like the kind found in an assassin employed by the Hearts for decades?"

"Loyalty like that of HEARTS in our very suit who want me dead for sharing what was ours and ours alone?"

"A man who tried to kill me for sacrificing THE HEART CRYSTAL."

"Forgive me, Hatter, if I no longer believe LOYALTY should be my measure of trust."

"I understand, my queen, but I do not believe the reaction should be putting faith in Ovid Grey."

"I am not exaggerating when I say this man has refused ALL AUTHORITY his entire life."

"In fact, he seems QUITE ADDICTED to proving how REBELLIOUS he is."

"You're speaking  
about his expulsion  
from the Millinery?"

"It is the reason  
he went ROGUE."

"Why he **DISAVOWED**  
not only us Hearts,  
but all the suits."

"His ability to learn--his  
**COGNITIVE ADEPTNESS**--  
it was **UNMATCHED**  
among his peers."

"And that's  
exactly what  
I have to  
offer him,  
something  
**OUTSIDE** of  
the usual."

"I still wish you would  
reconsider, my queen."
