CRUMBLE VS. THE GOON

Somewhere out west...

Dang it, Eddie!

You said this was gonna be a simple in-and-out job!

I say a lot of things, Tala!

And you should probably go faster, by the way.

I can't believe you thought ripping off a Lacerta biker gang was a good idea!

It was! If you'd kept a better lookout, like I told you--!

No way, Eddie!

I am **done** taking the blame for your screw-ups!

What screw-up? We got what we came for.

Look at this beauty! An honest-to-God escape hatch!

No more living on the run, looking over our shoulders--

That's terrific. You do know how to use it, right?

Ehh, it's just magic. How hard could it--

Hold on. Bridge is coming up.

You wanna grab the necro-grenades?

Ha ha!
So long,
suckers!

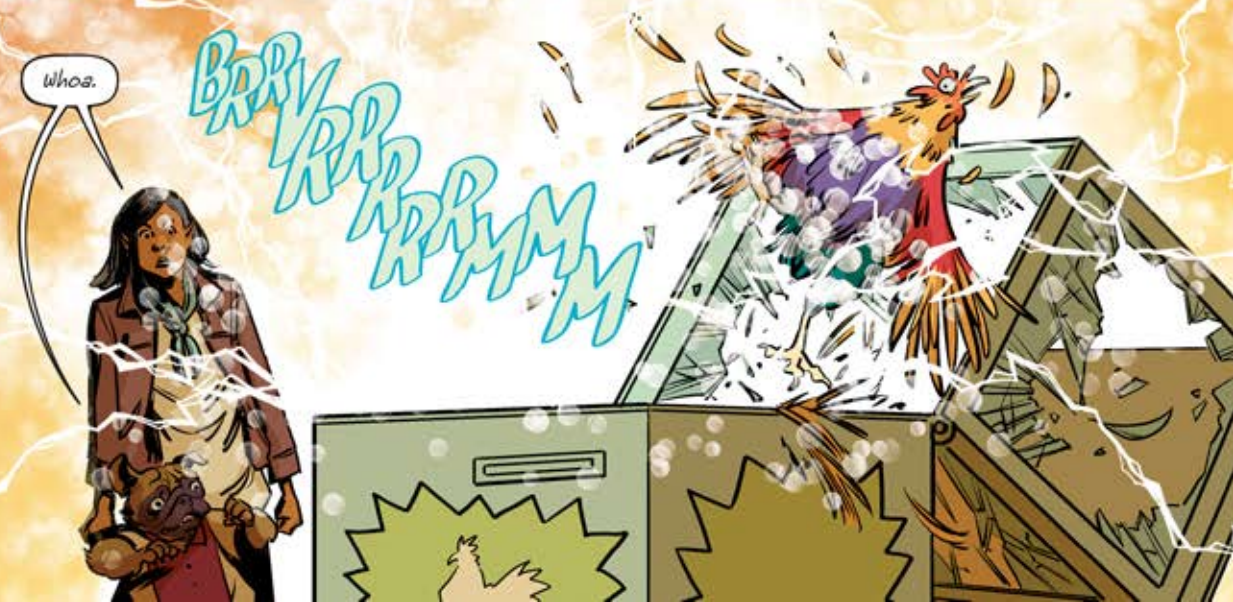

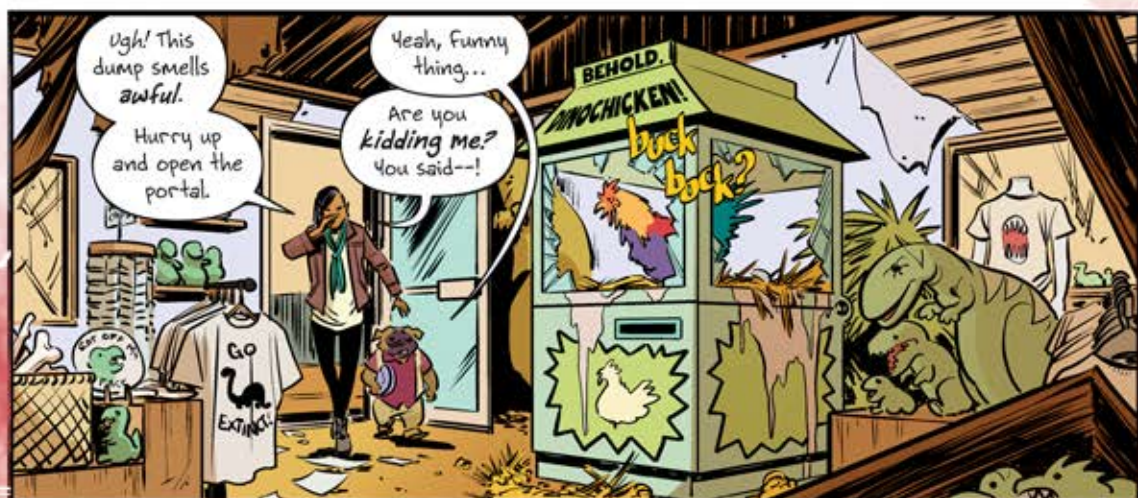

Hey, you know how some lizards can regrow a missing tail?

I wonder if it works the same if they just explode.

Focus, please?

We're not out of the woods yet.
